

2017 Wings of Hope Ranch Event Sponsorship

Promote your business AND support Wings of Hope Ranch!

Wings of Hope Ranch is a Christian based ministry that rescues neglected horses and rehabilitates them to provide a horse ministry, free of charge, to children facing conflicts or challenges. We seek to love, encourage & share HOPE with everybody who comes to the Ranch, and we pray it is a place where all people feel welcome, safe and accepted, just as they are!

Jewel on rescue day

Jewel Now!

Each year thousands of horses in the US are rescued from owners who cannot take care of them for various reasons. We work closely with the local rescue organizations to help these horses find forever homes. Some of these gentle souls find permanent homes and new jobs here at Wings of Hope Ranch to minister to children in need. We currently have 8 horses in various stages of rehabilitation at the ranch. Each horse costs about \$1500-2000/year to maintain properly.

The children that find hope and healing at Wings of Hope Ranch face a myriad of conflicts and challenges. Our volunteers feel blessed to witness their progress as they blossom and thrive in the safe and peaceful atmosphere provided at the ranch. We currently serve 35 children and 17 youth leaders per week.

Help us serve a growing number of child applicants & our herd of 8 horses, we are hosting several fundraising events in 2017. You can sponsor any/all of these events & promote your business at the same time! More information about each event is available on line at www.wingsofhooperanch.org
