

## Wings of Hope Ranch Client Application

Thank you for your interest in Wings of Hope Ranch, where children facing conflicts or challenges come together with rescued horses to help each other learn how to love and trust again. We look forward to the possibility of meeting you and ministering to your child. Please complete the following application for your child(ren) who would like to participate in our program. After we receive your application, we will put your name on a waiting list with other applicants. Within 3-4 weeks prior to the beginning of your desired session, we will contact you to request your preferred day and time based on your schedule and your child's needs. At that time, if we are able to find a session time that fits your schedule, we will confirm your child's spot in the season. Then, you will receive a package of required program forms you can bring to your first session.

Once this application is complete, please email to [wingsofhoperanch@aol.com](mailto:wingsofhoperanch@aol.com), Fax to 804-237-0435 or mail to Wings of Hope Ranch, PO Box 1674, Ashland VA 23005.

**Session Times:** Sessions run once a week for 90 minutes from September to November, and from March to May. There is no charge or fee for our program. Please check any/all desired sessions your child may be able to attend. We will call you before we place you in a specific time slot as we realize your schedule may change periodically.

If our sessions are already full, we will put your child/rancher on a waiting list and contact you as soon as we have an open spot. Our days and session times completely revolve around our seasonal volunteer supervisors schedule so we may have more/less session times available each new season.
